ROLES AND RESPONSIBILITIES

As an **PRIVACY AND DATA PROTECTION CONSULTANT** your key responsibility is to raise awareness and advice clients on matters related to the legal aspects of privacy, data protection and information security.

Responsibilities concern:

- Evaluating the privacy, data protection and information security practices of clients;
- Raising awareness within organizations and amongst customers;
- Assisting in the creation and execution of a tailor-made privacy framework;
- Advising on both legal and technical aspects of privacy or other IT legal issues and looking for compliant but workable solutions;
- Writing blogs and newsletters on privacy related topics;
- Contributing to the Master Program by giving presentations and coaching new juniors.

DESIRED SKILLS AND EXPERIENCE

You (will soon) hold a **Master degree** in law, applied economics, commercial sciences or commercial engineering, you are naturally ambitious, highly motivated and looking for the perfect transition from student to work life.

Furthermore, you:

- Have affinity with IT;
- Are client focused and keen on close collaboration with the client;
- Are a real team player, can easily adapt to modifying circumstances and love new challenges;
- Have strong communication skills in **Dutch, French and English**;

- Are result oriented and not afraid of taking initiative;
- Are flexible and eager to learn.

OUR OFFER

The Cranium Applied Privacy Consultants are appreciated for their professional skills and expertise. We offer you an attractive and motivating **compensation package** and continuous support in your professional development.

You will participate in a **Master Program in Applied Privacy** and receive on the job training from highly appreciated IT security experts, where obtaining **international certificates** are supported.

Furthermore, we offer you:

- A highly varied role that involves working in a supportive, young and dynamic team;
- An adventure in the cutting-edge field of Applied Privacy in an international environment;
- Great variety in type of clients and day-to-day business;
- Real career growth opportunities;
- Great colleagues in a joyful environment.

INTERESTED? Apply now and we'll get back to you as soon as possible.

We hope to meet you soon.
